Welcome to the February/March 2016 issue of Mannifest, Mann Library's newsletter. Questions or feedback? [Email](#) us!

News

[Meetings on Climate Change, Food Security, and Nutrition Research Begin](#)

Faculty and researchers are invited to an interdisciplinary discussion about how to advance research and develop tools that will be needed to feed nearly 10 billion people this century in a changing climate.

[New Resources for Navigating Federal Public Access Policies](#)

The Cornell University Library, In partnership with the Office of Sponsored Programs, has been helping researchers meet federal requirements for the sharing of publications and data produced with the support of federal grants.

[New Mann Consultation Area: Get Connected to the Research Help You Need](#)

The new Mann Library Consultation Area provides a one-stop shop for a suite of walk-in research consulting services.

[eCommons Repository at Your Service](#)

A new initiative at Mann Library is helping Cornell faculty and programs secure the digital life of their research and extension publications.

[Ice Stories: Photography and Geophysics on Climate Change](#)

In an exhibit talk at Mann Library last November, Professor Matthew Pritchard highlighted remarkable early 20th century images of glaciated areas in Greenland and Alaska and what they suggest about global warming's impact on earth today.

[New Staff Members at Mann Library](#)

Mann Library has welcomed several new staff members since this past summer, and we're pleased to introduce them to our wider Cornell community:
