[Exciting New Spaces in the Library](#)

You asked for it and Mann Library has delivered! We've added new reserveable spaces at Mann, making it even easier for library patrons to complete their work.

[SPARK: We're looking for grad students to share their research](#)

Cornell Library invites all Cornell graduate students and postdocs to participate in SPARK Talks: Scholars Present About Research and Knowledge, a program of five-minute lightning talks.

[A New Look at \(Very\) Old Books: From the Vaults of Mann](#)

We are happy to announce the launch of a regular new information series about Mann Library's collections. Every month, "From the Vaults of Mann" will give you a privileged look at some of the over 15,000 rare, old, often fragile works held in Mann Library's Special Collections.

[Let the Games Begin](#)

Since late 2013, Mann Library has been participating in the "Purposeful Gaming" project, which aims to come up with ways that attract the help of a world-wide public to improve the accuracy of digitized historical materials offered in the [Biodiversity Heritage Library](#). In early June, the project bore its first fruit (or maybe better said, virtual bean sprout!) with the release of two new online games: [Beanstalk](#) and [Smorball](#).

Events

["Communicating Creatively About Climate Change."](#) undergraduate seminar with photojournalist Gary Braasch, **Thursday, October 1, 4:30-6:00pm, Tatkon Center, Room 3330.**
